- Babies/reds
- Pineapple
- Organic Pineapple

It all starts with a flower....

- Takes 9 months for stem to grow
- Each stalk only produces 1 stem
- Each stem produces 8-9 hands or 150-200 fingers
- Pack up to 5,000 boxes in one day

Pineapples take around 18 months to grow. Everything is done by hand, plant harvest and pack.

Terminal expansion to include additional 204 plugs

Two grants to test 4 electric UTR's
